EVACUATION DRILLS
SMOKE/CARBON MONOXIDE (CO) DETECTOR TESTING

Date	Time	# of Children	# of Adults	Evacuation Time	Smoke Detector	Carbon Monoxide Detector	Exit Used

MONTHLY evacuation drills shall be documented and practiced from all exit locations at varied times during the hours of operation and during varied activities including nap time. Drills shall be conducted with the smoke detector activated so children get used to the sound and know what to do. *(Delacare* Rule 230)

MONTHLY tests of the smoke and carbon monoxide detectors shall be documented. Batteries shall be changed yearly. *(Delacare* Rule 195-197)

Date Smoke Detector batteries change: _____

Date Carbon Monoxide Detector batteries change: _____
