

EARLY DEVELOPMENTAL SCREENING DAY APRIL 12, 2011

Below are some suggestions for parents and providers to celebrate and acknowledge this day and the importance of routine developmental screening.

For Parents:

- *Talk to your child's pediatrician about routine developmental screenings at 9, 18 and 30 months.
- *Visit the Learn the Signs. Act Early. Website
www.cdc.gov/actearly
 - Complete the interactive milestones quiz!
- *Sign up for text4baby at for free text messages about your child's health. Text BABY (or BEBE) to 511411.
- *Attend at *Delaware Screens for Success Event* for free developmental screenings and resources: (event flyers attached)
 - April 16, Walnut Street YMCA, Wilmington, DE, noon- 4 p.m.
 - May 4, Easter Seals, Georgetown, DE, 4 p.m.—6 p.m.
 - May 9, Easter Seals, Dover, DE, 5 p.m.—7 p.m.
- *Talk to your child's doctor if you have a concern.

For Providers:

- *April 12, Attend the Learn the Signs. Act Early & text4baby Webinar. Click to join: <https://www2.gotomeeting.com/register/501111131>
- *Use the Learn the Signs. Act Early. check sheets to talk to your families about developmental milestones.
- *Call Karen Zalewski, at the UD Center for Disabilities Studies, for Learn the Signs. Act Early . and text4baby materials for your office and clients. Call (302) 831-6839 or karenz@udel.edu.
- *Attend at *Delaware Screens for Success Event* for free developmental screenings and resources: (event flyers attached)
- *Contact the Delaware Chapter of the AAP for more information about developmental screening or visit <http://www.aap.org/healthtopics/early.cfm>
