Water Safety Consulting & Pool Management, LLC.	908-216-8669	

2. Six hours of quality-assured child development training (if you have completed TECE I or have college/university credits, a transcript will meet this requirement)

Training can be located using these websites:

- <http://depdnow.com/> (free online training)
- <https://dieecpd.org/pd-opportunities#quality-assured> (class-based training for a fee)

3. Three hours of quality-assured positive behavior management/social emotional development

Training can be located using these websites:

- <http://depdnow.com/> (free online training)
- <https://dieecpd.org/pd-opportunities#quality-assured> (class-based training for a fee)

4. Child abuse and neglect training

Training can be located using this website <http://depdnow.com/> (free online training).

5. **Health and safety training in the following topics:**

- Prevention and control of infectious diseases, including immunization
- Safe sleep practices, including prevention of sudden infant death syndrome
- Prevention of shaken baby syndrome and abusive head trauma
- Prevention of and response to food allergies
- Building and physical grounds safety
- Emergency preparedness and response planning
- Storage of hazardous materials and bio-contaminants
- Safety measures in transporting children, if applicable

This required health and safety training can be located using this website

<http://extension.psu.edu/youth/betterkidcare/on-demand> (online training \$15 fee)

Another option is to complete the following trainings located at <http://depdnow.com/> (free online training):

- Building and Physical Premises Safety
- Prevention and Control of Infectious Diseases, Asthma, and Allergies
- Infant Safe Sleep Practices for Childcare Providers
- Preventing Shaken Baby Syndrome for Childcare Providers

6. **Administration of Medication** You will need to locate the registration form on OCCL's website at <http://kids.delaware.gov/occl/fcc-providers.shtml>. Print it and send it to OCCL with a money order for \$10 to register to take the test. You will need to study using the study guide on OCCL's website. Once you pass the test, you will be issued a certificate that allows you to administer medication.
